I've tried the basic styles but..
Up style?
How about the cute wavy style?
Then how about the all back style?
hmm... This is kinda.
Wouldn't you look kinda old?
Not good for an engagement day~

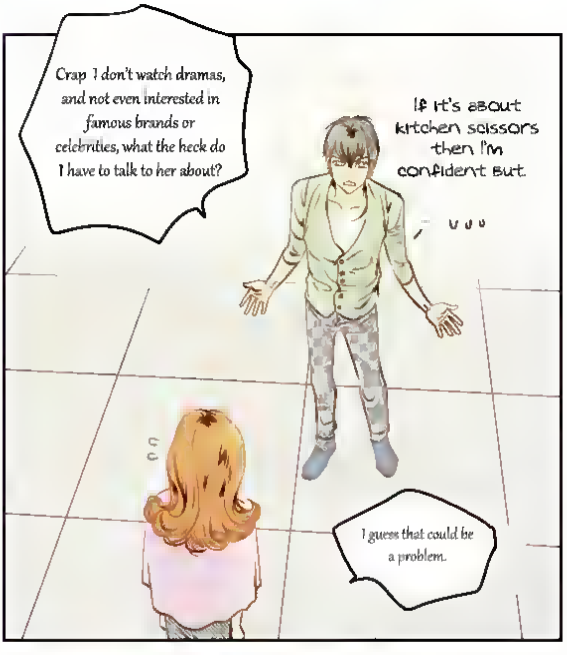
it's a really rare female customer so I have to get better with my speech skills too~
hoho customer~ I heard that the new 'Robiss' brand was very good?
Cheesy
느끼…ㅇ
Your speech is too cheesy teach~



Crap I don't watch dramas, and not even interested in famous brands or celebrities, what the heck do I have to talk to her about?
If it's about kitchen scissors then I'm confident but.
I guess that could be a problem.

Okay It's either this or that Rather than being treated less than a newbie
I'd rather fail and start anew or become an important designer and stay where I am It just one of the two how bad could it be?

So let's just sleep...

Do Good, Mr HyunKang! I'll be cheering for you.
I'm in charge of the hairstyles at a commercial so I gotta go
I don't feel the truth in that...
